Dear Hiring Manager,

I am writing to express my strong interest in the Project Manager position at Cigna, particularly within the Pharmacy/Core Solutions department. With over 30 years of leadership experience in healthcare project management, including my recent role as COO at Orange, Rockland, Dutchess Psychiatry Group, I am excited about the opportunity to leverage my skills in project management, strategic planning, and health plan operations to contribute to your team.

During my tenure in healthcare, I successfully directed numerous complex projects, ensuring seamless integration and excellent delivery within stipulated timelines and budgets. My ability to oversee large-scale initiatives and enhance operational efficiencies would be a valuable asset to Cigna. My experience aligns well with the responsibilities outlined in the job description, from leading enterprise projects end-to-end to developing effective project delivery plans in a matrixed environment.

I possess strong competencies in Project Management, Health Plan Operations, and Strategic Planning complemented by a robust understanding of Regulatory Compliance. These skills have enabled me to drive significant improvements in project outcomes and operational effectiveness, ensuring alignment with strategies and goals.

I hold a Master's in Business Administration in Healthcare Management from Trinity College, which has provided me with a solid foundation in effective management and leadership within the healthcare sector.

I am enthusiastic about the possibility of bringing my unique expertise to Cigna and contributing to the optimization and impact of your project portfolios. I am confident in my ability to generate superior results for your team and look forward to the possibility of discussing how my background, skills, and certifications align with your company's needs.

Thank you for considering my application. I am looking forward to the opportunity to discuss further how I can contribute to Cigna's success. Please feel free to contact me at your earliest convenience to schedule a conversation.
